

# HOST A DONATION DRIVE

**Help us make lives better  
for people and pets!**

Thank you for your interest in hosting a donation drive to help us achieve our mission. We help over 7,000 pets each year and your donations play a key part in keeping our lights on, our kennels warm, and the pets of Foothills Animal Shelter happy and healthy - emotionally and physically.

**Let's do this together!**

# HOW TO HOST

1. Gather your group of pet lovers together and set your dates to collect items. On the next page is signage for you to include on collection boxes as needed.
2. Review our Wish List for items we can and will use here at our Shelter. Then, share with your group!
3. After collecting items, make an appointment to bring your donations in! We are open daily from 10:00 am to 5:00 pm and our adoptable pets are available for you to come see, give boops and special treats. Drop off your goodies and we will all be happy to see you!

**Make lives better with the push of a button! ... maybe two.**

Meet Spinach. An affectionate dog who came to our Shelter with a painful, fractured jaw and facial injuries after being found on the side of the road by a Good Human. Spinach proved his resiliency after an intense surgery and, through months of veterinary care, foster care, and sweet Spinach kisses, made a full recovery. Our mission persists thanks to support from people like you. Today, Spinach is happy and healthy... and, home.

Thank you for helping pets in their greatest time of need.

and very good boy, Spinach**
