## FOOTHILLS ANIMAL SHELTER

Each year, Foothills Animal Shelter cares for more than 8,000 pets and impacts countless families and community members. Providing adoption placement, lost animal reunification resources, relinquishment prevention resources, pet licensing services, community vaccination events, and more, Foothills works to make life better for the pets and people of Jefferson County.

Our lifesaving programs rely on the support of our community to provide safe shelter, expert medical care, crucial behavior enrichment and support, and people-pet relationship preservation resources. Your support of these efforts ensures each animal relying on Foothills has access to the care they need and deserve.

Your tribute or honorarium gift provides critical funding that strengthens the foundational programs of Foothills Animal Shelter and allows us to meet the emerging and evolving needs of our community.

***Together, we can save and change more lives.***
